

***EE/CprE/SE 491 WEEKLY REPORT 6 4/3 – 4/16***

***Group number: sdmay20-19***

***Project title: To Online Shop, or to Not Online Shop***

***Client &/Advisor: Goce Trajcevski***

***Team Members/Role:***

Amiah Gooding - Electrical Engineer

Matthew Martin - Report Manager/Scrum Master

Max Minard - Software Manager

Smruthi Sandhanam - Meeting Manager

Travis Stanger - Test Engineer

Yana Aleksandrova - Meeting Facilitator

**o Weekly Summary** - The team has been working on answering peer evaluation questions and providing feedback to other teams. Preparing to get ready for the final presentation and report.

**o Past week accomplishments -**

**Yana:** Worked on helping with the peer evaluation components of asking other teams questions as well as answering questions that were addressed to us.

**Matthew Martin:** Went through the peer evaluation comments that were sent to our team and evaluated which would be beneficial to our team.

**Max Minard:** Finished the demo videos and presentations and began working on advanced features of the mobile application.

**Smruthi Sandhanam:** Started discussion over final presentation and final report components.

**Amiah Gooding:** Have made modifications to the competition poster to better fit the final presentation format. Started discussing which portion of the report I will work on.

**Travis Stanger:** Worked on peer evaluation and website, and began looking into the end-of-semester assignments that need to be completed.

**o Pending issues:** None

## o Individual contributions

Name	Individual Contributions	Hours this week	Hours cumulative
Amiah Gooding	Came up with some of the discussion responses. Worked on modifying poster board and discussed final report.	2	53
Matthew Martin	Answered questions related to the backend and algorithm of the project. This would then be evaluated for our presentation.	2	63
Max Minard	Started to work on final presentation and final documents and polished off some of the frontend application features. Did more integration testing.	3	63
Smruthi Sandhanam	Helped come up with some responses to discussion questions. Began discussion on final presentation and final report components.	2	59
Travis Stanger	Helped with peer evaluation report, updated senior design website.	3	53
Yana Aleksandrova	Worked on peer evaluation components. Asking questions and responding to questions.	2	62

## o Plans for the upcoming weeks

**Yana Aleksandrova:** Working on peer evaluations further by working on the peer evaluation report, and starting on components of the final presentation.

**Max Minard:** Continue polishing off features and hopefully complete the final presentation and documents before the due dates. Also to continue integration tests with any added features.

**Matthew Martin:** Put together the final report and edit the final presentation for senior design. Additionally, will assist in any changes we want to make to the poster.

**Smruthi Sandhanam:** Work on Final Presentation and Final Report. Hopefully meeting with advisor/client and get feedback before presentation.

**Amiah Gooding:** Start work on final presentation and report. Begin finding meeting time with client and team to get feedback.

**Travis Stanger:** Work on finishing peer evaluation report as well as the other end-of-semester assignments.

**o Summary of weekly advisor meeting:** No meeting with advisor this week. Was in contact with our professor, however, and he gave us tips on the poster and final report.
